Subject: Final Agenda - SFIREG JWC Meeting

Dear Colleagues,

Attached you will find the final agenda for the Spring Joint Working Committee Meeting. Please note that some sessions will address topics that will also be discussed at the Leadership Meeting. No EPA participation is expected at those public sessions, but will instead be focused on state issues.

The State – only dicamba discussions are happening between the first break and lunch on Monday morning. If you have questions, please let me know or Yvette Hopkins. Regards, Jackie
